Organization

We talked at the meeting about new and exciting ideas and this is including ways to get members active. **Let's improve our comradery!** To do this, we need to hear from **YOU, the Members.**

Does more Happy Hours at different places sound good. What about more beer brewing or Buddy-Brews? Does club homebrew competitions sound good to you? Maybe collaborations with other Homebrew Clubs? Would you like to be more active in the MD Hombrewers Guild events like the end of year Holiday Party or MASHOUT? How about some local charity work? Would we like to Save the Bay? The Chesapeake Bay Foundation is growing and restoring oyster beds...would you want to help? Mmmm Oysters! Like Music? We as a group could attend festivals like Eastport-A-Rocking and enjoy it together, all local beers there. What about just meeting up for dinner and beers or ad hoc lunches....we may want to try Lures in Annapolis. Great locals beers and tasty foods. **Tell us Your ideas!** I hope this may have started your brain cells a workin...

Jackie Kendall is excited about putting Members items of interest to a yearly activity calendar. We think this will allow us to look forward to the events that each of us really want to do. ...and of course involve your friends and family to join in. Send Jackie and email and share your ideas. jkendall.home@gmail.com
